3. A statement is appended below showing the rates of Travelling Allowance admissible ~~ordinarily~~ for officers of the first, second & third class according to fundamental rules both in India and Outside India.

4. The rates of Daily Allowance admissible for halts in Great Britain etc are only given in the Fundamental Rules (Appendix 7) and it is not quite clear what rates of Daily Allowance are admissible under the rules for halts in Java unless it be covered by the description (Netherlands) vide Appendix 7 Page 50- Fundamental Rules Vol.II. In view of the fact that in the case of the Dewan they have fixed the Daily Allowance for halts in Java at R$20/- per day, which is just twice the rates of D.A.admissible for officers of the first class, double the usual rates of D.A admissible to the officers of the respective classes may be claimed for the Private Secretary to the Dewan and the peon.

The rates of T.A. claimed in the statement ~~for~~ for the Dewan have been verified and they are in order as per Fundamental Rules.

As regards the rates of T.A. claimed for the Private Secretary to the Dewan and the servant for the journey to Java, specific rates admissible not being available in the Fundamental Rules, a reference was made to the Accountant General, Central Revenues New Delhi, but the information called for was not made available in the matter.

Hence, it seems reasonable to claim the rates of Daily allowance admissible to the 2nd Class Officers for halts at Egypt (and the Near East North Africa) at £1-2-6 and £0-15-0 for the Private Secretary and the servant respectively for the above journey in accordance with the Fundamental Rules (vide Appendix 7 page 49 Table B) and leave the question of finally admitting the claim or modifying the same in conformity with their Rules to the Accountant General, Central Revenues, New Delhi, to avoid delay in the settlement of the T.A. claims.
